Or be a "shenanigator" and book for you and your friends

### **WHY**

Use the effort driven reward cycle to get some happies for your brain..... oh and make some art 😊

## **WHAT TO EXPECT**

Carla will show a version of intaglio printing with tetra pack, scratching points and a pasta rolling machine.

We will do a round of plate making, proof printing & reworking

Guests will get hands on experience and explore results and variations to inform how to grow control with this printing method

## **WHAT TO BRING**

Bring your groovy self, maybe a snack or two and as ink travels perhaps wear stuff that can handle a splodge or two.

## **SUPPLIED**

All the materials in this project are supplied.

Kettle and cuppa things are available for during our breaks.

And if you arrive early, you could buy a coffee.... Coffee 😊

## **ABOUT CARLA**

Carla has been living a creative response for several decades. She is a sculptor & potter with a bit of a thing for process.

Taking novice arties from "I can't" to "I can" is Carla's why, she calls it her zwing!
